

TESTIMONY OF INDIE WALLACE
STUDENT, CAPITOL HILL MONTESSORI AT LOGAN
April 14, 2016

Hi my name is Indie Wallace. My teacher is Ms. Lowery. I am in third grade. And my school name is Capitol Hill Montessori at Logan. I live in Ward 5.

I am a student and I want my community to see how much this school means to me. I want my school to be improved. I care about my school. The teachers are nice. Mr. Eatman is great. I like Montessori because it gives you more choices. I like my friends. They are the best and help me with math.

I want to tell you about how we prepared to testify. You can see pictures of our work in your packet.

First, we interviewed 13 teachers and Principal Eatman. The boys measured the temperature of the classroom. The girls asked our librarian how many books we need. We took pictures of wall paint, windows in our school, our broken windows, and some insects that are in our school. We looked at the Constitution and learned what advocacy means and civil rights. We found out our Councilmembers and met as a group 7 times for one hour and a half each time.

Please help and support our school. We need it.

My friends will tell you more about our school.

Thanks for listening.
